## DEDICATION

The Tzolk'in Field Guide is dedicated to Don Alejandro Cirilo Perez Oxlaj, 13th Generation Quiche Mayan High Priest, Spiritual Leader of the Maya. Don Alejandro is the beloved "tata" destined to lead us into the 13<sup>th</sup> Baktun, a cycle marked as a Time for Human's highest transformation. It is Tata that shared the calendars with the world, at the Time destined to be. Tata has been the "final word" as a compass for the discernment of my resources. Thank you Grandfather, for all the prayers you've carried to an altar and believed for us.

## FORWARD

I share my deepest gratitude and appreciation for the Elders that guided a way of Beauty. When I began my journal I was alone without the resources to travel. I had little hope for an opportunity to share in a Sacred Community.

My daily journal online at [JaguarSpirit.com](http://JaguarSpirit.com) was a last desperate leap of faith, just to save myself. The only resource I knew to lead me out of the dark was the Wisdom shared by Ian Xel Lungold at [MayanMajix.com](http://MayanMajix.com). I'm equally grateful to Michael Shore, who carries on to uphold Ian's gift to the whole. Those who shared a journey at [JaguarSpirit.com](http://JaguarSpirit.com) were an unexpected answer to my prayers.

That's the Mission I carry – for others to know what I found out. You don't need to be an academic to learn or understand what a Divine Creator intended us to Know. It worked for me, through a dedicated practice and the Love of my own curiosity. God's Divine Will for me was you.

The Field Guide shares a personal practice that's come together over the past 5 years. My hope is that there is something that will help you define a path of your own. These are thoughts from Spirit thinking about these basic aspects and the words of Ian Lungold... while I was tracking my own thoughts.

Through a Dedicated Practice you will see the synchronicity of your OWN STORY written in the calendar, and the end that's already written for your Divine Future.

**I invite all to join me on a continuing journey published daily at [JaguarSpirit.com](http://JaguarSpirit.com).**

**BEGINNING OF THE THIRD SEASON OF THE TZOLK'IN:** 1 CHUEN begins the third season as observed by the Yucatec tradition of the North. The last Day Sign of the Season is the Guardian. The Guardian of the third season is **13 Eagle/MEN**. Eagle/MEN is the Intermediary that raises us up for a Divine View. We'll know that any Dream we can See in our Imagination lies within Human's Grasp.

Monkey/CHUEN (Chuwen) is the Master Artist, Creator, and Weaver of Time that leads a cycle of "Light" (Blue or Red Day Signs). CHUEN delivers the Light of Inspiration to Dream our own Reality.

### **7th & 8th UINALS:**

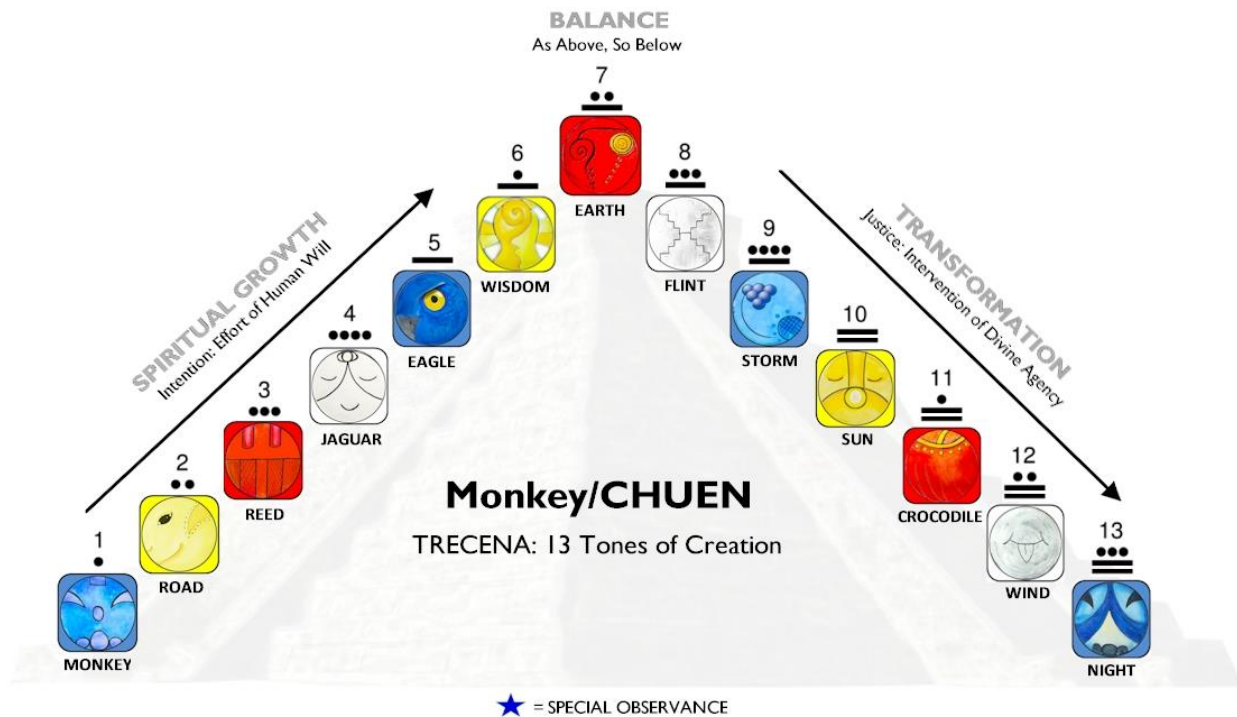

The 7th uinal represents the core days of the Tzolk'in round, the axis mundi at the center between the Above and the Below. We are crystallizing a Dream for a new Seed of our Self. The 8th uinal begins the Sacred Exchange and the Intervention of Divine Justice. Monkey/CHUEN guides a journey to the Dawn of a New Creation.

Dog/OC and Monkey/CHUEN hold an Affinity as the two Day Signs who share the peak positions of the Tzolk'in round. Together, they represent the Divine aspects of a Supreme Creator and Divine Human Beings. Monkey/CHUEN is the Master Artist/Creator known as the Weaver of all Time. The glyph illustrates "time rolled up" on the head of CHUEN. CHUEN guides the human "time traveler" to explore and create the past, present, and future. The Unconditional Love of Dog/OC is by Monkey's side to find Love from the beginning to the end.

Monkey/CHUEN is the Divine Alchemist in human that turns Creation into a childhood game. CHUEN can lead us back to the Wisdom we had at the beginning when we created for fun.

### **The Experience of Monkey/CHUEN:**

- Responding to experience with curiosity, free of expectations
- Seeing the lighter side of life, free to change our mind
- Believing in the magic, like we did as a child
- Moved to create by curiosity and the genius/muse in our thoughts

### MASTER NUMBER 11:

CHUEN resides in position 11, and leads the 11<sup>th</sup> galactic week of the Tzolk'in. Number 11 represents a Spiritual Awakening and Self-Expression that defines our Purpose and Soul's Mission. The two 11's magnify an intention of Divine Consciousness, raising the Frequency of our Thoughts for a Divine Perspective.

### PEAK DAYS/PEAK ENERGY:

These are the most favorable days for influence, accomplishment, and Spiritual Consciousness. The higher numbered Tones are compared to a wave crashing – a powerful energy set on course to its destination.

- 6 Wisdom/CIB – we are drawn into the Flow of Creation and connected to the Wisdom of the Ancestors.
- 7 Earth/CABAN – balanced in the Above and Below by the Forces of Nature and the Movement of Mother Earth.
- 8 Flint/ETZNAB – our Power is exalted by a Truth and an Intention of Divine Justice.
- 9 Storm/CAUAC – our Transformation as Divine Creators is completed with the Creator's Spark and the Revelation of our Unbridled Freedom to Create.

### Exercises for Spiritual Growth:

1. Pretend you're an alchemist at play. Just for fun, use an imaginary magic wand or sprinkle a little fairy dust. Or, create your own "magic" spiritual tool.
2. Create something, anything that sounds like fun. Notice how one creation inspires another.
3. Create an abstract portrait of yourself, using only shades of your favorite color(s).
4. Place a gift at the altar for your invisible Muse, and a treat for the Dog. Remember to take Dog/OC wherever you go, and check out the other dogs you see on the way.

Plant a New Seed of your Self in Mother Earth. The Elders taught us how Mother Earth changes everything into something new. They shared a way of planting an Intention. We would hold an offering, a stone, or crystal to our heart to share the Gratitude for our Dream. Then we planted it with a blessing of cornmeal, tobacco, and water – along with a piece of our Self, our hair or an offering of saliva. We marked the place so we could return again with our offerings of Love.

Earth/CABAN leads a cycle of Light as the symbol of Mother Earth and the Movement that Creates Time for the experience of Knowing. Everything that Human Knows has been conceived from the knowledge held in Mother Earth. Earth/CABAN guides the 13<sup>th</sup> trecena, marked by a Number of Divine Agency. Holding Position 7, every Destiny Kin of CABAN carries the 7 of Divine Balance and the Great Law of The Creation, "As Above, So Below." CABAN is a symbol of the Divine Agency of Knowing. Building on the Ascension of a Seed, we are inspired by the Beauty of Earth and a new dream for Life. We are always brought to the Light of a New Day by Mother Earth. She guides a Divine Way of perpetual motion.

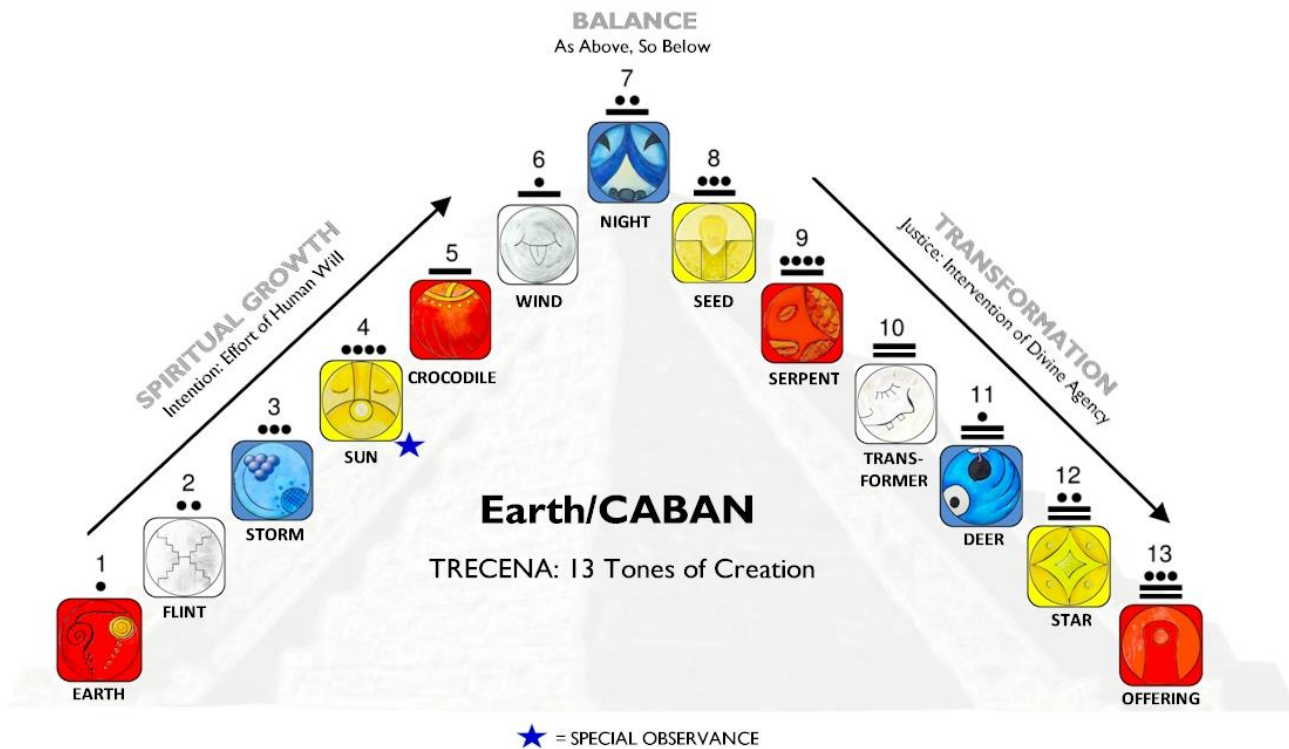

The Cherokee Heron symbolizes a Life of perpetual migration to the next field of Abundance. Our Human Destiny on Earth is not a final resting place, but Life that goes on. The Heron is a symbol of the Phoenix that rises from the ashes of its past. CABAN will lead us through a Dream of Divine Inspiration to the Light of a Dawning Possibility of New Life. The K'iche Sacred word for CABAN is N'oj, the Divine Knowing within a Seed, and an Identity Known by a Conscious Communion of Love. CABAN leads us to see what we will become, and fuel the passion to Move on it with all our Heart.

### **THE 8<sup>TH</sup> & 9<sup>TH</sup> UINALS**

4 Sun/AHAU completes the 8th uinal of Divine Justice. Our Common Dream is the Freedom to Live and Be, and to Create what our Heart Desires. Through the Divine Design of the Seed, we recognized the Divine Love within our Self is the Invisible Silent Love of Seeing Each Other. Transformed by the Wisdom of Forgiveness, we're given another chance to Dream again, holding the Truth of the illusions and realities of the earthly experience. The 9th uinal fulfills the Law of Cause and Effect. Choices for Love will be proven by a Divine Effect. Love will blossom to Create the Beauty of Heaven on Earth.

Burner Days mark an Energetic Release. The Fires of chaos and change have been burning within. The Elders call it the contractions of Life. The illusions of an old life are bearing down on us with an Intention to set us free. On the Global Burner day the residue of past experience is burned away. 4 AHAU stabilizes the Truth that we were meant to be in our Time and Place.

#### PEAK DAYS: PEAK PERFORMANCE

#### ASCENSION:

13 Offering/MULUC is a Divine Communion of Atonement through the Sacred Exchange of an Offering to Live to Pay Back and Pay Forward.

#### Exercise for Spiritual Growth:

Turn to Mother Earth for every Spiritual Need. Ground yourself through a direct connection. Speak words of Love to the birds and the bees. When a fire burns your heart, don't push it down. Carry it to Mother Earth and sit with it together. Bury something as a memorial to a life you're letting go. Thank Mother Earth for the Experience. Ask that your way might be seen as worthy.

Wisdom/CIB leads a cycle of "Darkness" for an Application of Truth, the meaning and purpose of Knowledge. Ascending from the trecena of Night/AKBAL, a Dream for a new Seed was moved beyond the limits of Human's imagination. In our Dreams, everything was possible. Our Dreams Are True. The Truth didn't change when we woke up. We can claim our Highest Hopes, walking in the Truth in a realm below.

Now that we know something is possible BEYOND our own Dreams, we're ready to learn. Surrendered to a Divine Agency of Higher Will, we're compelled to Apply our Gifts of Divine Consciousness.

In our AKBAL Dream, we had everything we needed Within to create the Truth of the Reality we Love. "As Above, So Below." Applying the Wisdom of CIB, we'll learn the Truth wasn't a Dream. Love IS a Power in the Universe, and We CAN Create a Reality of Love to Shine for the Whole.

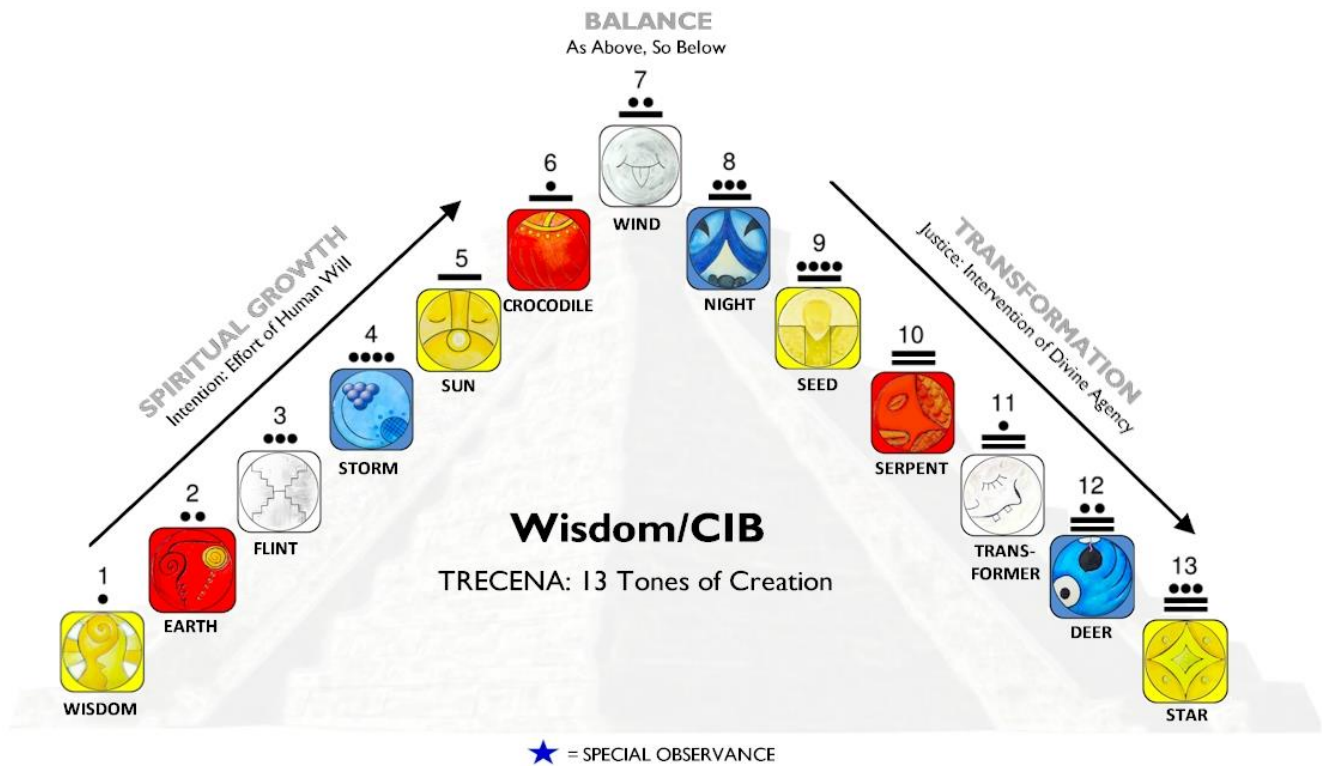

Wisdom/CIB represents the Collective Wisdom of Humanity. When we call upon the Ascended Masters, they Answer. When we Remember their words, prayers, traditions, Wisdom - we offer them another Life in our Consciousness. This the Day of the "Old Ones" that guides us to Honor the Wisdom of Humanity. We are Connected by CIB to a Divine Inheritance.

CIB is the totem Owl that turns our head around with the Vision of an Eagle that can see through the darkness. CIB reveals the archeological treasures that lie in the past, that prove the ways and means, along with a Divine Reason for the Future. The glyph illustrates the Human mind in its Highest State of Consciousness, emanating the rays of Illumination and Forgiveness.

### **The Experience of Wisdom/CIB:**

- Spiritual revelations from lessons you learned in the past
- Seeing past experience as important to where you are
- Finding new ways to forgive and let it go with a blessing for the experience

### THE 10TH & 11TH TONALS

The 10th uinal represents the Manifestation of a Spiritual Harvest. We See and Acknowledge the Truth of Cause and Effect. In the 11th uinal we are tuned into a Higher Frequency by the Sum of the Change to Know the Reason Why. The 11th uinal resolves our place in the Universe with a Meaning and Purpose that's equal to the rest.

### HOLY DAY: 8 NIGHT/AKBAL

The 8th Tone is the zenith hour of Light. 8 Night/AKBAL is not officially observed by a festival or ceremony, though the Kin is marked on my calendar as one of the most potent Spiritual Experiences of the Tzolk'in round. AKBAL is the Voice that speaks in your Dreams.

### ASCENSION & GUARDIAN OF THE SEASON

Wisdom/CIB leads to an Ascension of 13 Star/LAMAT. Our next Ascension is the Realization that we ARE a Personification of Light, and our Love shines all around. Holding the Key of Forgiveness, there ceases to be any "matter" standing in the way of the Truth of Love. 13 Sun/AHAU is the Guardian of the Season and the Lord of the Tzolk'in round that Delivers the Highest Revelation of Answered Prayers at the Ascension.

### PEAK DAYS: PEAK PERFORMANCE

- 6 Crocodile/IMIX – offers the flow of Divine Inspiration to claim a Dream our Heart Desires.
- 7 Wind/IK – will change the landscape and our mind with a vision of all that is and all that is not.
- 8 Night/AKBA – offers a zenith Light for the Breakthrough of a Dream.
- 9 Seed/KAN – will complete the Meaning and Purpose to be, with a Dream that was sealed in our Heart.

### Exercise for Spiritual Growth:

Walk the walk and do something you love to do. Acknowledge that Love is guiding you and move on it.

Offering/MULUC leads a cycle of “Light” of Divine Inspiration. MULUC guides a meaning and purpose to Give Back and Pay Forward. Through an Offering we are Atoned, as One Mind with the Creator. The glyph illustrates one drop of water raised above the whole. Receiving the Light of Pure Love, our Feelings will ripple through the Whole.

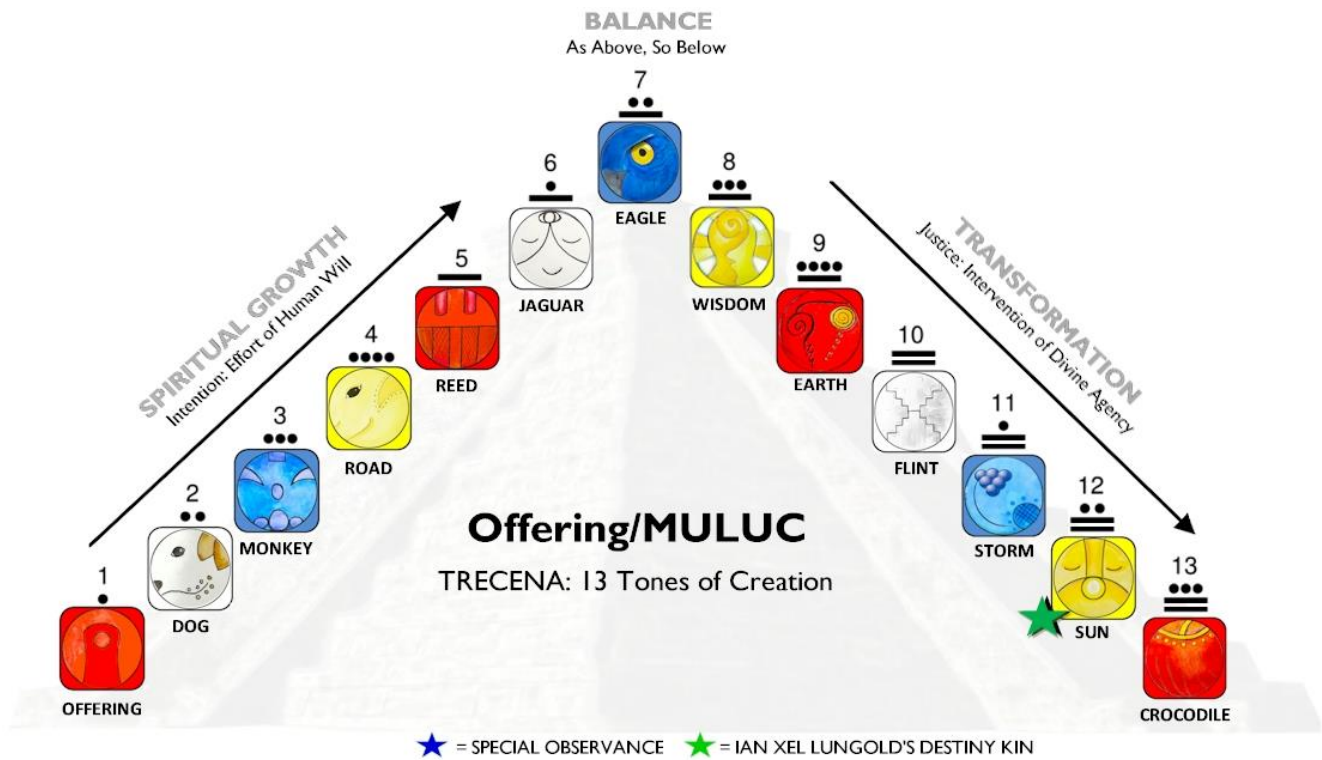

MULUC represents the Moon, our Emotions, and Water everywhere from the cosmos to our own tears. This is a cycle that will raise our Feelings to the Light. We receive a healing to our human emotions, when we give our heart for a Divine Cause.

When we bring an Offering to an altar we kneel to count our blessings. MULUC holds the Fire to change us. In the Light of our Blessings we will be Inspired to Love Back. The Sacred Exchange for Loving is more Love, multiplied to abundance. Through the Guidance of MULUC we will realize the joy of Loving back and Forth.

We are guided to honor the Feelings of the Whole, as the Truth of our Heart. We can't always understand the discernment of Truth in another Time and Place. Through a Gift of Compassionate Love, we can always understand the “truth of feelings.” When we honor Feelings, we create the ties that bind.

Wind/IK guides a cycle of “darkness” that is a Human application of Truth to manifest the Wisdom of the Experience. To see the Light, that’s what we’ll look for in the darkness of an Unknown Experience. The work ahead is using Consciousness to manifest the Wisdom of Divine Truth.

Destiny Kin 222 magnifies the Master Number 22 by an exponential value of Trinity. The Master Number 22 is a symbol of Human’s way of Discernment through Duality. A “Master Builder” is empowered, believing in a Higher I.

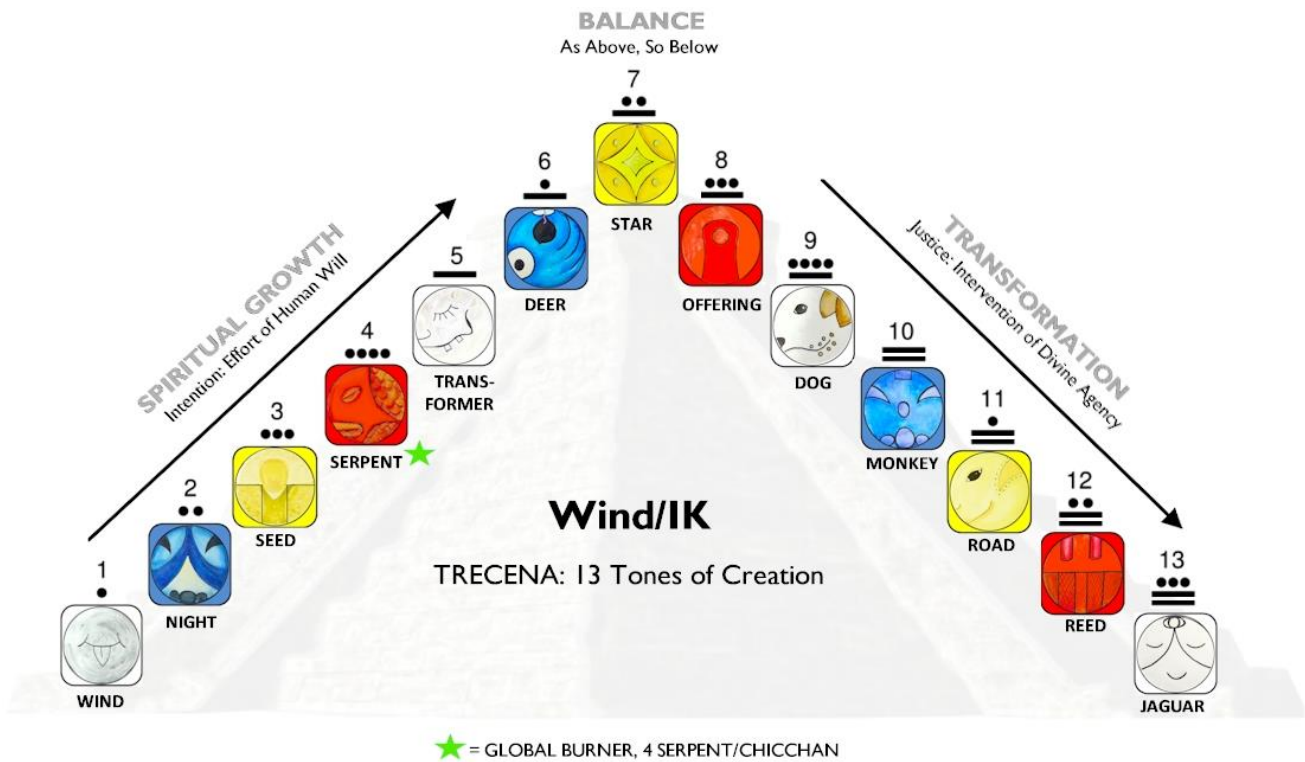

The glyph illustrates the Tree of Life. “Te” is a Sacred Word to the Maya, representing the first Sound of Creation. The Tree of Life is the symbol of Life that grows Above and Below, through a Divine Channel of Living Light and Truth. Wind holds the Authority of “the Voice of God” – the Will of Creation.

Wind resides in the North, the direction of Wisdom. The god Huracan symbolizes the Power of a Divine One to change the landscape of our Life, whatever Act of God is called for as a Divine Provision to uphold a Truth of Love. Wind/IK shares Divine Thoughts in the Wind to change our state of mind, to give Breath to a New Life.

### **The Experience of Wind/IK:**

- Divine Reasons feel like Common Sense
- Divine Guidance may look like the last thing we know to do
- Heightened awareness and the Jaguar Senses to discern the Unseen Reasons people are moving in our parameter

## THE 12<sup>TH</sup> UINAL

The 12<sup>th</sup> uinal holds the Intention of Understanding. A harvest of Truth is taken to heart as Human's Highest Dream. Our Highest Hope is the Truth of Answered Prayers. Under the guidance of the Wind/IK we can be changed by the Truth of Human's Salvation.

## GLOBAL BURNER DAY: 4 SERPENT/CHICCHAN

4 Serpent/CHICCHAN is a catalyst that ignites the Force of Life within. Global Burners mark a release of residual energies and Truth that no longer serves the Meaning and Purpose of this Time. With the Gift of CHICCHAN we shed the thick skin of an old life so we can FEEL the Truth.

## THE ASCENSION

13 Jaguar/IX is an Ascension to the shape-shifter, the shaman who holds the Power of Invisibility. IX leads us across the threshold to the realm of Spirit using the "earth magic" of Gratitude. 13 Jaguar/IX offers the Discernment of Light, while hidden in the shadows.

## PEAK DAYS, PEAK EXPERIENCE

Eagle/MEN guides a cycle of "Light," a Divine Inspiration of Truth. Eagle/MEN is the Intermediary that shares a Gift of Divine Vision and the Wings to see the Truth from the closest proximity to the Creator. The Eagle Feels the Truth in the Wind.

Residing in the West, holding the Element of Water, the Eagle shares the Vision to see the Light of Truth in our Heart. The Eagle guides us to seek our Highest Hopes and our Highest Aspirations, KNOWING the Divine Truth is within our grasp. The Eagle shares the Inspiration for one last Leap of Faith for our Final Ascension.

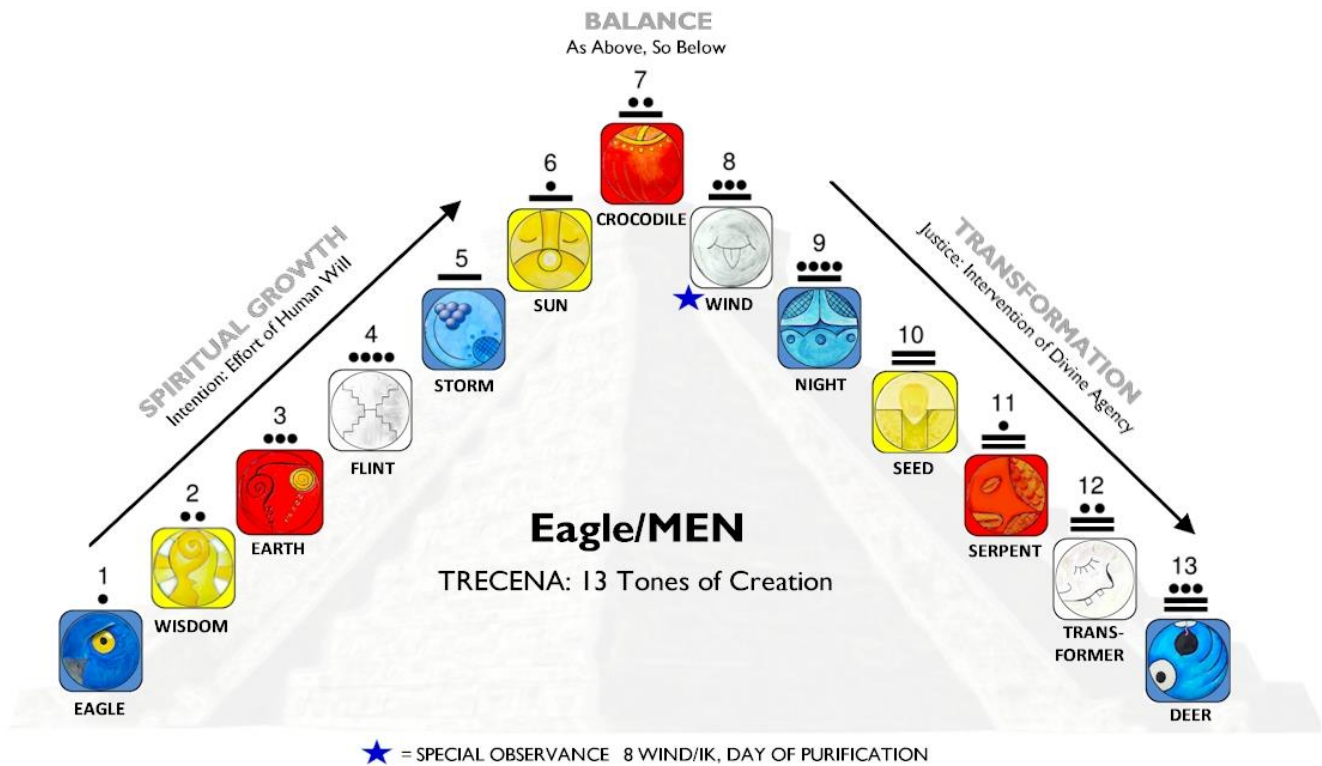

The Eagle doesn't have to see the Whole Truth to believe in the Prize at the end. All it needs is a Speck of Light to mark the spot, and never look away. In a Leap of Faith the Wind will catch our wings, and the Truth will stand like a River that carries us back to the Divine Truth that we are moved as One through the Circle of Life that love ripples through from the beginning to the end in never-ending spirals of Light.

The only challenge will be a Choice to Fly Away. An Eagle may turn away from a prize where it sees the prospect of competition from another Eagle at the end. We won't see another Eagle, or any other worldly illusion, as long as we are focused on the prize. We'll know by the growing Light that our path is the only direct course to the Dream that lies in our Heart.

The Eagle remembers that Dreams appeared from Above, shared through a Divine Communion directly with OUR Heart. As long as we don't look away from the Divine Truth we CAN see, the Light of Truth will only grow brighter at the end.

### **The Experience of Eagle/MEN**

- Seeing a dream within our grasp, raising our Highest Hope.
- Realizing the Sum of our own Wisdom manifested Our Divine Way.
- FEELING and KNOWING the Dream is ours to claim, to have and hold.

### 12TH AND 13TH UINALS

The 12<sup>th</sup> uinal hold the Intention of our Highest Understanding. On 6 Sun/AHAU a Revelation of Truth is taken to Heart. 7 Crocodile/IMIX guides us into the Balance of our Highest Ascension, believing in the Power of the One Spark we were given to lead us to our Divine Destiny.

### HOLY DAY: 8 Wind/IK

The Truth of the Creator's promise is Spoken through the Wind. On the Holy Day of 8 Wind/IK (January 10, 2021) a Truth with the Power of the god Huracon will carry a Divine Truth to heart. On 8 Wind/IK one Life will be given for another, as the Seed is consecrated and blessed by the Creator's Sacred Breath.

### ASCENSION OF THE EAGLE/MEN TRECENA

On 13 Deer/MANIK we will Ascend, knowing the Divine Meaning and Purpose of our Life. MANIK represents Human's Mission of Love. Tone 13 marks the Answer to our Prayer. We'll be given Divine Vision how a Choice to Love became the Masterpiece of our Life, marked as Beautiful by the Creator for all to see.

Star/LAMAT leads a cycle of "Darkness," an application of Truth for the Wisdom of Human Experience. LAMAT is the symbol of the Scion, a cauldron for the Creation of Love. We are completing the human gestation cycle that defined a body and consciousness of life. It was an experience worth fighting for when we went through the contractions toward a new life. The Sound of Love was a beating heart and we were surrounded by it in a Sanctuary with everything we could ever need. We didn't have to do a thing. Our Life was held in the Hand of a Higher Authority.

Every orbit defines another lifetime of Human evolution, through the Human Creation cycle that was ordered by the Light. There are "lifetimes" on every scale of experience. Time can crawl and Time can slip away. Time is a relative experience. When we are drawn back to the One, Time ceases to exist in a State of Mind.

When we reach the Highest Truth the Time it took to know ceases to matter. Knowing the Truth is an end in itself. If we could read our life's story and saw Divine Beauty at the end – if we knew that One and Only WAS waiting in Time, we could Love every moment. Our Heart would be Free from the One Question we long to know is TRUE for OUR Life. If we JUST KNEW... we'd seize the Time of our Life to SEE it happen. It wouldn't matter how long it took to figure it out, because NOW WE KNOW Life goes on forever, and we Know it NOW.

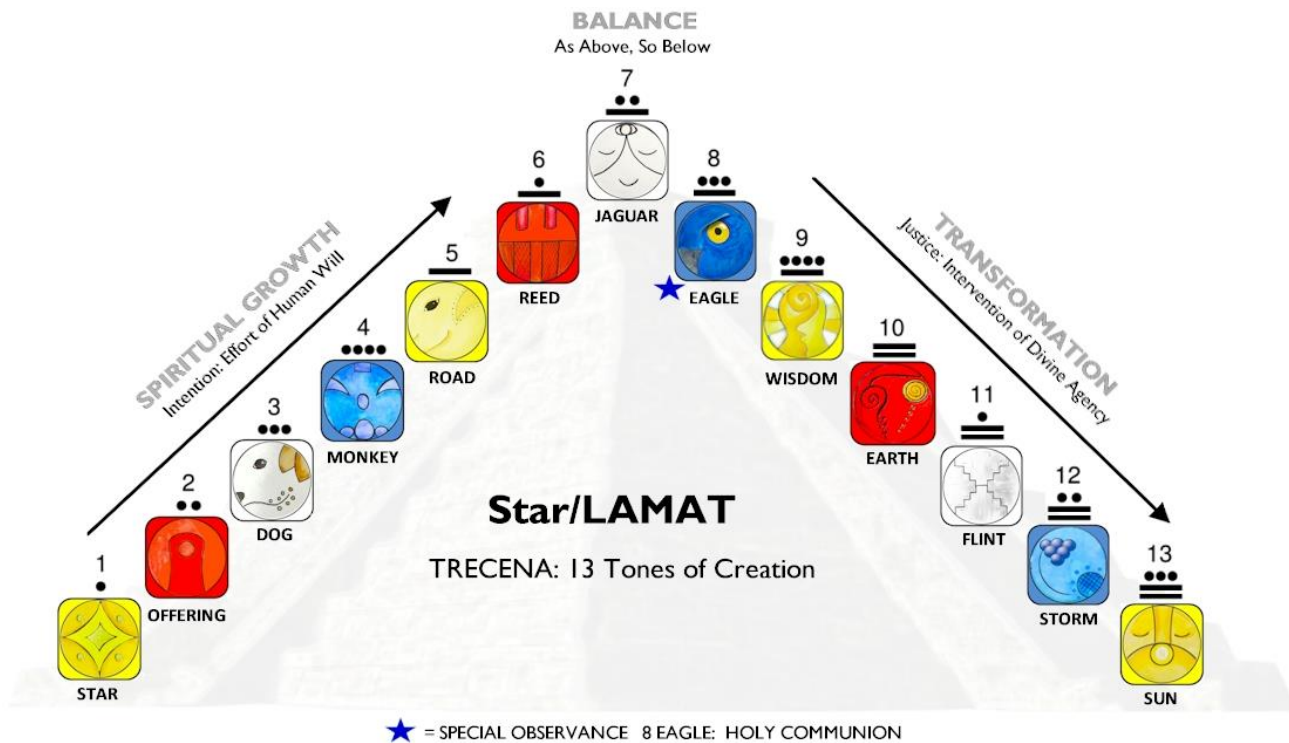

We Ascended from the Eagle/MEN trecena, the Creator's Dream for the New Seed we created together. We shared a Human Dream and the Creator shared the Divine Dream of Life. In the Ascension of the Star/LAMAT trecena we realize the Truth as a Human Experience of the Highest Dream Above. Our Spark is the Divine Inheritance of the Beauty, and the Divine Eyes to see it.

We'll KNOW because ALL the Truth was IN THE SEED of OUR LIFE. Surrounded by Love, a place to sleep, with nothing but dreams of all the possibilities WAS the life created under SOLE Authority of the Creator's design. We'll realize the Truth at the End IS the same Truth we knew in our first Divine Life. We KNEW there was another Life, somewhere across the threshold. From the darkness of the Unknown we claimed a New Life in the Light.

### **The Experience of Star/LAMAT:**

LAMAT's totem is the Rabbit. There will be stops and starts, though we will Remember a Divine Provision. You can expect the Momentum to build as we want the New Life to begin NOW. We'll have a Sense when it's "time to move" like we're pushed to it. We'll Remember the Truth. "Good things come to those who wait."

### 13<sup>TH</sup> UINAL: ASCENSION OF THE TZOLK'IN

The final climb is Human's Witness of the Dream for a New Life as it was imagined Above and Below. We've see the Truth from a beginning to an end that tells the Truth about Life. We are gathering the Light of all the Truth we've seen, and the disassociated pieces and parts are drawn together as one meaningful new whole. We can hardly wait to start a Brand New Life.

Star/LAMAT shares a tangible Truth, guiding a way of Right Relationship. Through a Gift of "Instant Manifestation" the Rabbit multiplies whatever we hold as the "object of affection." LAMAT is symbolized by Venus. The Maya marked Venus' transit across the Sun as the moment all the calendars reflected the perfect time. LAMAT is a cycle of Divine Timing.

### THE HOLY DAY OF COMMUNION

8 Eagle/MEN is exalted in the zenith hour of Tone 8. The Holy Day honors a Divine Communion and the Witness of the Creator's Dream within our grasp. We'll see our name on a New Life and how it's been in the works from the beginning. Our Heart will know the Blessing of Living Water.

### The PEAK DAYS: THE CLIMB

Instead of looking forward to the Peak Energies of Divine Intervention, we're guided to Love the Climb. Our BEST days will be shining in the darkness, unknown. Human's effort is only 5 days to create the momentum through a rhythm and pattern of movement. The Elders say you can change your whole life in 4 days of sacred ceremony. This is TIME worthy of calling SACRED.

### EXERCISE FOR SPIRITUAL GROWTH:

PAY ATTENTION to signs, symbols, and synchronicity. They are the SIGNS of awakening. Clear Thinking, Clear Feeling, Clear Hearing and Clear Knowing is an APPLICATION of Truth. There is SYNCHRONICITY IN ALL TIME. Witness your Life in 4 days of Sacred Ceremony... time dedicated to witness Life. From a Sanctuary within, make a journey to the stars to a Sanctuary Above, surrounded in Love. It's REAL like the first Sanctuary we knew on Mother Earth.
